How To... submit Results online

1. Submit Results Online on the Front-end

- Go to the league website

<http://www.clm3.merseysidechess.org.uk/>

- Login with your User-Name and Password (Don't forget it!):

Login Form

[Forgot your username?](#)

[Forgot your password?](#)

User-Name:

Password:

- scroll down to the CLM Admin Menu

If you don't see the CLM Admin Menu:

Login Form

Hi Super User,

CLM Admin Menu

Click on the “ + ” to open the CLM Admin Menu

- Click on "Submit Results"

CLM Admin Menu

The screenshot shows a vertical menu with the following items: Overview, Submit Results, Edit Club Details, Atticus 2 - MCA Division 1, Round 1 (First Leg), Round 2 (First Leg), Round 3 (First Leg), Round 4 (First Leg), Round 5 (First Leg), Round 6 (First Leg), and Round 7 (First Leg). A yellow arrow points from the text 'Click here on "Submit Results"' to the 'Submit Results' menu item. Another yellow arrow points from the text 'Select Round: e.g. "Round 3 (First Leg)"' to the 'Round 3 (First Leg)' menu item.

- Select the Round [e.g. Round 3 (First Leg)]

Now here is this table to enter the results:

Bord	Home	Result	Guest
	Atticus 2	0 : 0	Aigburth 1
1	-- Select Player --	-- Result --	-- Select Player --
2	-- Select Player --	-- Result --	-- Select Player --
3	-- Select Player --	-- Result --	-- Select Player --
4	-- Select Player --	-- Result --	-- Select Player --
5	-- Select Player --	-- Result --	-- Select Player --
6	-- Select Player --	-- Result --	-- Select Player --
7	-- Select Player --	-- Result --	-- Select Player --
8	-- Select Player --	-- Result --	-- Select Player --

Notes about pairing (if necessary)

i Not all Entries have been done.

Back Check Input Send Input

- Select players from the drop-down lists "-- Select Player --"
- Select the result of each game from the drop-down lists "-- Result --"
- Enter notes or remarks if necessary below "Notes about pairing (if necessary)"

- click on "**Check Input**": Is everything correct?
- If yes, click on "**Send Input**" (= submit results to the clm-server)
- If not, click on "**Unlock Input**" and correct the input. Then click on "**Check Input**" once again. Is everything correct? If yes, click on "**Send Input**".

2. A player is not on the team list

If a player has not been registered for the team, he will not be available on the drop-down list. In this case:

- Choose "-- **Select Player** --" from the Drop-Down-List
- enter the pairing and result in the field "**Notes about pairing (if necessary)**"
e.g.:

Board 3: Potter, David 1 – 0 Smith, Adam

etc.

The League Controller will get an e-mail with your notes and comments. He will do all necessary checks and so on. If everything is all right, your League Controller will register this player for your team. Otherwise the League Controller will contact you.
